Forecast for Wednesday 30 Mar 2022

Weather: A cold sunny morning, a few snow showers across eastern hills. Scattered snow showers more widespread by the afternoon, occasionally heavy with a risk of thunder. Showers dying out early evening to leave largely clear skies, although a few showers continuing across eastern Aberdeenshire hills.

Chance of cloud-free hill tops above 800m: 70%

Low Cloud and visibility: Very good visibility, briefly falling to a few hundred meters or less in passing snow showers. Cloud generally above the summits, but occasionally down to 800m in the morning, 900-1000m early afternoon, most likely across Aberdeenshire and Angus hills.
